

IN THE UNITED STATES DISTRICT COURT  
FOR THE DISTRICT OF MONTANA  
BILLINGS DIVISION

FILED

MAR 16 2018

Clerk, U S District Court  
District Of Montana  
Billings

UNITED STATES OF AMERICA,

Plaintiff,

vs.

SARAH JANE PRYDE,

Defendant.

CR 15-51-BLG-SPW

**ORDER**

Before the Court is Sarah Jane Pryde's Motion for Clarification of Restitution (Doc. 39). Pryde requests that the Court adjust her restitution amount and order a hearing so that the United States may explain whether she is eligible to receive social security benefits. (*Id.* at 5). In its response, the United States argues that a hearing is unnecessary because Pryde must first submit an SSA application to determine whether she is eligible for benefits. (Doc. 41 at 5). The Court agrees that a hearing is unnecessary. Additionally, although a lengthy and unfortunate oversight by Pryde, the circumstances do not warrant a reduction in her restitution amount. Accordingly, Pryde's motion (Doc. 39) is DENIED.

DATED this 16<sup>th</sup> day of March 2018.
